

Countess Mountbatten Hospice Charity raises funds for Countess Mountbatten House; a specialist palliative care unit that supports patients with life limiting illnesses across Southampton and South Central Hampshire. Services are delivered through our Inpatient Unit, our Day Hospice at the Hazel Centre, our Palliative Care Team at Southampton General Hospital and our team of Clinical Nurse Specialists who support patients in their own homes.

Excellent medical care is provided by the NHS and essentially the Charity contributes approximately £1 million each year towards everyday costs, including all 'over and above' items to enhance the quality of life of patients and their families and carers, throughout illness and bereavement.

Here's how your support can help make a difference:

£10 pays for newspapers and magazines bought daily for the patients in our Inpatient Unit.

£25 funds a one hour Complementary Therapy treatment such as Aromatherapy or Reflexology for a patient.

£100 funds the books needed for one month to help bereaved children come to terms with the death of a relative.

£500 ensures our volunteer transport service is funded for one week, enabling patients and their relatives to more easily access hospice services where needed.

Or a gift of any size means we can build for the future.

There are many ways that individuals, community groups and corporate partners can support the Charity in raising the funds needed to strengthen and develop its services:

- By joining the Countess Mountbatten Hospice Lottery for as little as £1 per week
- Becoming one of our invaluable volunteers, helping staff to deliver a wide range of services
- Donating goods to our charity shops
- Leaving us a gift in your Will
- Organising your own fundraising event or attending the Charity's events
- Making a regular donation to the Charity by BACS, cheque, text or online via our website
- Displaying our collection boxes at your place of work
- Giving us goods in kind
- Making your expertise available to us
- Nominating us for 'Charity of the Year' at your workplace

For more information please call the Charity Office on 02380 475313, visit www.cmhcharity.org.uk or email info@cmhcharity.org.uk
